behalf and certify that this application and accompanied plans are submitted in accordance with the Town of Dillsboro Code of Ordinances, including Chapter 52. I understand that I have no more than ninety (90) days to complete this permit request and acknowledge that incomplete or inaccurate information submitted on my behalf may result in the delay or denial of this application. I hereby indemnify the town from any loss or damage that may directly or indirectly be occasioned by the installation of the building sewer and grant permission for the Town staff to enter onto the premises to inspect this site to process and complete this permit request. The applicant for the building sewer permit shall notify the Inspector when the building sewer is ready for inspection and connection to the public sewer. The connection shall be made under the supervision of the Inspector.
